

North Sevier Recreation Parent/Spectator Contract

The North Sevier Recreation Department has the reputation of being one of the best in providing positive sportsmanship for our youth players. This program is larger than any one player, coach, spectator, volunteer, staff member or director. The following contract is set in place to keep us at the top and to allow us to provide quality recreation for the youth of our community.

1. Encourage members of all teams.
2. Keep all comments positive.
3. Only players and coaches are allowed on the field, court or any areas of play, NO EXCEPTIONS.
4. Leave the coaching to the coaches.
5. Criticizing the officials, coaches or opponents of other teams will not be tolerated at all. The same goes for abusive language or cursing. This is a youth sport; everyone makes mistakes, even our wonderful volunteer officials. This also includes the singling out of a player, coach or official by name with a derogatory comment of any kind.
6. You are responsible for all family members and friends attending the games to watch your child.
7. No tobacco or alcohol in, on or around any area where youth recreation is taking place.
8. Help make this a positive and fun experience for all.
9. Report any violations to the Recreation Department.
- 10. Playing time and game issues will not be discussed with any coaches during an activity/game or practice. If there is an issue wait till the follow day, thus allowing your emotions to calm therefore making it much easier for all involved to communicate with a better result.**
11. Then and only then are you allowed to make this phone call to your coach or the Department Head for this activity.
